Request for bid documents and drawings should be sent to Richard.Vella@houstontx.gov and copy: Clifford.Perry@houstontx.gov . All Addenda will be posted on General Services website for your review.

Respondent acknowledges that Federal Emergency Management Agency (FEMA) financial assistance will be used to fund this lump-sum Agreement and Respondent agrees to comply with all applicable Federal laws, regulations, executive orders, FEMA requirements, and all other terms and conditions incorporated into the bid documents.

Contracts funded in whole or in part by federal funding (e.g. FEMA Public Assistance Grants) are also subject to the requirement at 2 C.F.R. § 200.321 to solicit minority businesses, women's business enterprises, and labor area surplus firms when possible. The list of labor surplus areas is provided at the Department of Labor's website at <https://doleta.gov/programs/lisa.cfm>

Regulation 2 C.F.R. § 200.321 requires, where subcontracting is permitted, contractors to take the following affirmative steps:

1. Solicitation Lists. The Contractor must place small and minority businesses and women's business enterprises on solicitation lists.
2. Solicitations. The Contractor must assure that it solicits small and minority businesses and women's business enterprises whenever they are potential sources.
3. Dividing Requirements. The Contractor must divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises.
4. Delivery Schedules. The Contractor must establish delivery schedules, where the requirement permits, which encourage participation by small and minority businesses and women's business enterprises.

5. Obtaining Assistance. The Contractor must use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

The Contractor must take these steps regardless of whether it has met the City's MWBE goal referenced in this solicitation. Selected Firm(s) should clearly document the communication and outreach to the certified business. Documentation may include mail logs, phone logs, or similar records documenting the use of the above identified sources of information about MWSBE firms, the efforts to contact them, and other efforts to meet the above requirements.

The Projects may contain City of Houston Standard Specifications for Wastewater Collection Systems, Water Lines, Storm Drainage, and Street Paving sections that are incorporated into bid documents by reference. These standard specifications along with standard details may be acquired at no cost on the City's website.
